Dear Emily,

Sorry to have missed you this afternoon - I left a voicemail - please feel able to call me back today if you're able to.

In the meantime, perhaps it would be helpful from my side to let you know that we are willing to work with you to achieve the style you would prefer for an approval as swiftly as possible to avoid further delays.

This afternoon, i have agreed with Anna a further extension of time till tuesday 30th June.

I'm sure over a call we can agree the right strategy for the windows and the sill.
We would be happy to introduce a hardwood external sill to the french windows and sidelights if necessary.

for the windows;
please see attached this link;
something like the flush casement /lipped or totally flush would be acceptable if this met with your approval.

A quick call to discuss so i can provide confirmation would be really helpful.

kind regards,
Kate
