Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: We are neighbours to Floran Farm and would like to register our support to the above planning application.
It is refreshing that only 9 self build properties are being applied for and not an over crowded and over developed housing estate, which this plot could certainly accomodate.
We further believe that the above application will actually enhance the area, being somewhat substantial and individual properties of character, and certainly will be an improvement to the general

appearance of the site as it is at present.
We hope to watch the development progress.

Kind regards
