Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this planning application. Crawley Down is a desirable place to live, but developments like this are slowly taking away from what makes it special.  My grandparents, along with many other retirees in Woodlands Close, are now considering moving if this goes ahead. It's not just

the noise and disruption, the demolition of 9-11 and 100+ daily car movements outside our windows will drive down house prices. The village simply can't support more residents: the local GP and schools are already struggling to meet demand, and this will only make things worse.
