Condition 9 - schedule of materials and finishes

B+C ARCHITECTURE

Materials

The proposed pallet of materials will be limited and refined to match the contemporary design; we will look to source as close as possible to the site to reduce transport. All materials will be the highest possible quality.

1 – FACING BRICK – multi-stock antique red brick

2 – ROOF – Sedum green roof

3 – WINDOWS – Slim line black aluminium - Cortizo

4 – DOORS – Slim line black aluminium – Cortizo

5 – ENTRANCE DOOR – Corten effect aluminium

6 – WINDOW REVELAS – Corten

7 – LANDSCAPING – As per Emerging Landscape Design
