Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: Park Centre has been standing for 153 years to serve it's youth and community. It needs to be allowed to make changes to make it accessible to all. By objecting this planning application, you are taking away the rights of all those who are unable to climb stairs. I thought that as every place had to be accessible to all, and this would be approved in a heartbeat. The improvements are for that

purpose, not to make loads of money, but to make it accessible. I have every faith that the right decision will be made.

Kind regards
