Hi Anna,

Thank you again for popping along to meet Ayla and myself this morning and looking around our business. We hope you managed to get a good idea of operations to make your recommendations on our planning application.

I have attached to this email the geographic data from our visitors since July as discussed with you to show that we are predominantly a 'local reach' business. I have also attached our NPS feedback score which is currently sitting at around 70%, which is considered excellent.

Further to this information we feel we are an asset to the local community through our support of local schools, charities and organisations to whom we regularly donate prizes. We employ local staff as well as supporting local business where possible. Some examples of this are:

Craft House Coffee
The Handmade Hire Company
Chloes Fairytale Princesses
Little Moo Photography
Mini First Aid Sussex
Love Art Studios
Buttery Crust Co.

We have collaborated with all the Sussex businesses above which further emphasises our positive integration into the local business network. If you need any more information from us please let me know.

Kind Regards,

Harry Batchelor

Co-Founder
