Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully agree with the application with the reason that it will contribute to the Church's international gathering every October. Also will it be very helpful for the thousands of people of our and neighbouring towns and villages who come to the Curche's family-

friendly events, such as Easter Egg Hunt, Bonfire Night, Christmas events, to name but a few. Also will the car parking greatly assist families attending the Rugby Club and the various Sports Club activities, taking cars away from parking on the verge of the road. This will contribute also to the safety of many pedestrians and cyclists that sometimes are in danger of the already narrow roads.

Kind regards
