I am writing on behalf of Homes England, to submit an advertisement consent application for the *“Installation of a digitally printed dibond panel sign with aluminium posts”* along the Eastern Bridge and Link Road (EBLR) / Holmbush Avenue, Brookleigh.

Description of Development

The digitally printed dibond panel sign will measure 1 m wide by 2 m tall. It will be attached to aluminium posts with concrete foundations, as shown on drawing 60610807-ACM-CS-XX-SK-HW-0022 P02 submitted with the application.

The sign will direct road users to the Secondary School and Primary School off Holmbush Avenue. It is anticipated that the sign will potentially be in place for a period of up to five years.

The sign will be sited in the grass verge adjacent to the footpath but won't impinge on movement along the footpath. The final precise location of the sign within the verge is to be agreed with Highway Authority on site.
