Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is no need for another convenience store, we currently have three which more than adequately serve the village requirements It will also increase traffic at very busy junction where busses regularly stop. Also, people are parking here to use the post office which is next

to the proposal.
The proposal will increase the risk of accidents.
I strongly object to the proposal

Kind regards
