| Comments:            | Our family home overlooks Barnfield from the Haywards Heath Road and we were pleased to see this application. We've noticed a trend of families being priced out of the village, when in need of more space and houses like this going to downsizers. It's happening more and more often which is why we felt so strongly that we needed to support this application. I feel it's important and a more affordable option that families are therefore able to maximise their space. It's lovely to see families playing in Barnfield, we hope it stays that way. As this development is |

already fairly built up, we feel these designs are in-keeping and a highly reasonable addition.
