Reasons for comment:	
Comments:	Dear Sir / Madam, I strongly object to this planning application and would urge that you decline it. This is on the basis of a number of reasons but the key ones being: Bolney is already losing a significant portion of it's green space

with the Foxhole Farm Development. Why is there a need to destroy further nesting and foraging space for local wildlife?

I understand that the UK has a housing shortage but the proposal is for 4 or 5 bedroom executive houses which will be entirely out of keeping with the need to build affordable housing. These would also be entirely out of keeping with the neighbouring houses - not least the Grade II listed Daltons Farm and the Bolney Conservation area. I fervently believe that the rural setting of this farmhouse needs to be maintained.

Please decline this application and help preserve the character and appeal of this rural village.

Kind regards
