Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	To Whom It May Concern, I urge you to deny this application with immediate effect. As a parent of young children who frequently play in the park by Rawson Hall, this area of The Street can be difficult to navigate at the best of times. With increased traffic entering and exiting the narrow lane to the proposed properties I feel that it will become even more hazardous. I do not see how the access point is fit for

purpose not how it would provide adequate access for emergency vehicles (fire engineers, ambulances etc).

The proposed dwellings are entirely out of keeping with those in this part of the village and given the disruption that the Foxhole Farm development will have on various roads throughout the village, the additional impact from this development would only exacerbate this further. The timing of this proposal is no doubt aimed to coincide with the onslaught of development within a village of rural character and community. It is simply not needed so please do the decent thing and reject this application accordingly.

Kind regards
