Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Dear Sir / Madam, I massively object to this application. I simply don't understand why this is needed or necessary? The proposed houses are insensitive to the graded listed farm at Daltons and the access point is almost directly opposite the site in the village where all the children go to play. It seems to me that this is just an accident waiting to happen in a rural village which is in danger of quickly becoming a town.

These additional houses are simply not needed given the impending development at Foxhole Farm and will remove more vital green space from our landscape.

Please please decline this application

Kind regards
