Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We are the adjoining property & have been grateful that the developer has been very considerate and communicates with us on a regular basis. Work so far has had minimal impact. It will be good to see a piece of wasteland put to some use & we have no objections to the development of this land.

Kind regards
