13-8-25

Ref Planning No :-

DM 24/3077

I wish to strongly object to the above planning application. The position of this food store is NOT SUITABLE. It will be too close to a VERY BUSY ROUNDABOUT! This area is often congested already because we have Waitrose, Sainsburys, the station (plus taxi rank) a petrol station, a fire station and post office sorting office, all trying to get round the one roundabout!

Another food store will add to the volume of traffic all approaching Commercial Square roundabout making this area difficult to drive through and dangerous.

Surely Haywards Heath should have a new food store in part of town where there are no large food stores.

Yours sincerely
