Dear Sir/Madam,

Planning Application Ref DM/25/1909
10 Woodhall Close
Cuckfield
West Sussex RH17

Overview - The 2 storey extension will for us have significant overbearing impact and loss of outlook and light.

Intrusion of Privacy - Looking at 10 Woodall Close from the front, existing bedroom 1 now has a side window to it.

The side window would directly look out over our property, where no other windows have been in the past. This will then give a full uninterrupted view of most of our back garden, the side window is also out of character with all other properties of this type in Woodhall Close.

We would like to raise an objection to this proposal by reason of overbearing impact and loss of privacy. Please could you send acknowledgment of this email, thank you.

Yours Faithfully
