Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Details submitted for approval relate to the external materials and architectural detailing of the proposed staff houses. The submission includes architectural drawings, construction details and supporting manufacturer information confirming the proposed external finishes and components.

The following materials and details are submitted for approval:

External walls: Facing brickwork to the ground floor with clay tile hanging to the first floor elevations.

Roof: Clay plain tile roof covering with associated ridge, verge and eaves detailing.

Windows: Powder-coated aluminium double glazed windows as detailed within the Glideline aluminium window system specification.

External doors: Composite GRP entrance doors as detailed within the Benchmark Doors manufacturer specification.

Rainwater goods: Aluminium gutters and downpipes as detailed within the Aluflow aluminium rainwater system technical guide.

These documents together confirm the appearance, specification and installation details of the external materials proposed for the development.
