Dear Huw and Saskia

I have now returned from Leave. I received the attached Drainage comment last week. I hope that you can address the issues that are raised?

I look forward to hearing from you on these issues.

Regards

Anna

Dear Anna,

I have sent forward the email confirmation of the blockage removal to the Engineers, however they have commented as follows:

The applicant also needs to provide a timetable of implementation as well as gradients of the exiting pipework.

Clarification also needs to be provided as the levels within the proposed drainage calculations do not appear to match those within the supplied layout.

Best Wishes

Emma
