Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Copthorne already has 3 convenience stores and another one would dilute the business of the existing adjacent family business that has been established for a number of years. Also, the increased traffic both during construction and operation would have an adverse impact on an already often congested

junction. This will be exacerbated by another vehicle access point to the proposed apartments.

Kind regards
