PERSONAL STATEMENT

Please find attached my application for a Certificate of Lawful Development for the siting of a mobile home within the curtilage of my property, Oaklands, Furzefield Road, East Grinstead, RH19 2EF.

The proposed mobile home is intended to provide additional living space for my teenage grandson, who now needs a greater level of independence and privacy as he grows older. While this accommodation will give him room for studying and personal development, it will remain closely linked to the main house so that he can continue to be part of our daily family life.

The unit will offer a comfortable and practical environment tailored to his needs, providing a safe and secure setting within the boundaries of my home.

Thank you for considering this application. I look forward to your response.

Kind regards,
Sally Searle
