Hi Stephen,

Following your comments Bellway have updated the Welcome pack and it now contains details on the current flexibus provision.

Is there anything else you would recommend that is contained within this or are you happy for it to be issued?

Many thanks

Joe,  
Revised travel plan document is acceptable and as such no objection is raised.

I would still suggest that the welcome pack is updated. E.g what are the early phase bus routes/walking and cycling provision. Where is the nearest car club etc?  
Its likely most/if not all of the phase would be occupied before the wider improvements are delivered so instead of a big sell should focus on what is actually usable during the life of the travel plan.

Sorry to chase, it just I have the applicant chasing me on this.
