Reasons for comment:	
Comments:	I'm a tenant in the complex where the proposed application for new flats has been submitted. I fully support this as the development will provide 6 well designed much need homes especially when considering Mid Sussex Council can't demonstrate a 5 year land supply I note that the new building site comfortably on the site and doesn't block any views. The new block will also add to better personal secretary for residents to the area.

Kind regards
