Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support this application as the tree has been allowed to grow far too large for its vicinity. The overhanging branches sheds so many twigs and acorns onto the public footpath as to be a danger when walking and the overhanging boughs are so big it would seem to be only a matter of time before the boughs break and cause an awful lot of damage

Kind regards
