Dear Mr Belliere,

RE: Restrospective application to keep outbuilding as a dwelling for an agricultural worker.

AT: Rock Lodge Cottage, Lewes Road, Scaynes Hill, Haywards Heath, West Sussex, RH17 7NG

REFERENCE: DM/22/2889

In relation to the above mentioned application the Rural Appraisal Officer has asked for some additional information specifically relating to the enterprise to which the dwelling will be attached. Please could provide further information regarding the scale and practice of the current operation, number of workers and duties, in addition to information pertaining to the out of hours needs of the enterprise.

It would also be useful for the provision of further information relating to the number and type of existing dwellings at the site, whether they have a relationship with the enterprise, and which, if any, currently also provide on-site accommodation for the enterprise. As this relates to a change of use of an existing building this last point would not be critical to the assessment of the proposal, however would be useful in providing context to the site.

I look forward to hearing from you.

Regards
