Dear Will

Thank you for the additional information to support these applications.

I have arranged for this additional information to be reviewed by ADAS and I am currently awaiting their further advice on a timescale for their further comments to be made.

Given that they will require at least 21 days to respond I shall be grateful if you can agree to a further Extension of time (EOT) for the consideration of both applications, subject to your client's agreement?

Can I request an EOT to Friday 13th December 2024? I shall be grateful if you can respond with your agreement by return email.

Thank you
Anna

Dear Will

Thank you for your answer phone message and email.

I appreciate that you and your client may want to give me some more information following on from the ADAS response. Whilst I can do this I would like to know how much time you are requesting as I would like to determine the application within the agreed Target Date, or by the end of the next week at the latest, ie. by 8th November 2024.

Will an additional week be agreeable?

Regards

Anna

Hi Anna,

I hope that all is well?

I've just left you a voicemail, but thought best to email as well. We have seen the ADAS report based on the mobile home on site and would very much like to be able to address some points raised within it if possible. There are elements that we believe we can provide the necessary clarity on that will better inform the decision, particularly relating to the function of the development and the figures shown in the ADAS report.

To this end, could we possibly agree to a small extension of time that will allow us to satisfy this?

Many thanks

Will
