Hi Anna

Just to confirm that the annotated drawings provide the clarification required, and remain acceptable in my opinion.

Thanks,

Emily

Dear Alison and Matthew

Whilst I was on leave on Monday this week I received an email from Emily Wade regarding the details for the proposed insulation for this proposal. Emily has asked for clarification, by annotation, to show the parts that are insulation and those that are timber on the detailed drawings 'Upgrade details as proposed', to avoid any misinterpretation ahead of the decision being progressed.

Please can I request this revision is made and the plan resubmitted as soon as possible to avoid delay?

Regards

Anna
