Dear Anna,

I agree that a tree report would be required for the proposal. Please could one be requested and then you can consult me?

Many thanks.

Emma

Hi Emma
Having been to the site this morning it is my opinion that the enlarged front extension, steps and foundations will impact upon trees on the site frontage and that a Tree Report should have been submitted on receipt of this application.
Please can you confirm that you agree with this assessment before I contact the Agent?
Thank you
Anna

Hi Wendy

Please see attached report and and photographs.

The T1 is actually a Camellia shrub rather than a tree.
