Dear sirs,

I would like to have my objections to this made known.

1] I believe the buffer zone described is insufficient. There needs to be a larger zone put in its place.

2] I see no reason for a community hub with the existing village hall.. this area should be re-purposed.

3] I feel that Cala homes should be made to organise a face to face consultation with the local residents. I am not happy with house designs proposed and would like the residents' views to be included in their redesign .

Kind regards
