The description of the original permission includes the following:

(Amended plans received showing Wakehurst Farmhouse accurately and amended Certificate B received 26th July) (Amended plans and further supporting info received 4th October) (Ecological Impact Assessment received 16/02/23)

Due to this wording any changes to the approved drawings would be inconsistent with the operative part of the permission, and therefore a 96A will need to be submitted before the S.73 to remove this wording from the description.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
