Notes:

- For best performance, drawing to be viewed in colour.
- Drawing is not to be scaled from or relied upon for other purposes than planning.
- Location of trees plotted following manual measurements on site. If required, precise location to be determined on site by a Site Surveyor/ Contractor/ Setting Out Engineer.
- No access was granted to trees located within the adjacent garden. Location to be considered indicative and measurements are approximated.
- Drawing is to be read in conjunction with all relevant Arboricultural Consultant's documentation.
- Differences between this drawing and site conditions encountered must be reported to the Arboricultural Consultant.
