

Application reference: DM/26/2347

Site Address: Millfield Yard, Ansty

Site Visit Date: 13.10.2026

North – Open grass fields to the north with hedgerow set further afield.

South – Roadside to the south of the site with mature hedgerow acting as the boundary. There are two L shaped buildings et within a close proximity to the site's southern boundary.

East – To the north-east, there is an existing sand school as well as further mature tree planting.

West – Millfield Barn set in the distance to the west and a low timber fence set between the sites.

Streetscene – Generally a rural character and setting to the area with mature hedgerow abutting either side of the road and occasionally broken up by accesses.

Other -
