Subject: FW: GH841 Keysford Barn, Treemans Road, Horsted Keynes RH17 7EA - Planning Statement for Floor Insulation
Attachments: METHOD STATEMENT - Historic Flooring .docx

Hi Anna, Emily,

I hope this email finds you well.

Please see attached the method statement for the flooring at Keysford Barn by Fowlers Contactors. We have also looked at reducing the external insulation for the barn and it could be reduced by 70mm, would this be acceptable?

We will provide the eaves detail that you also requested. However would prefer your thoughts before we finalise things.

Best Regards,

Alison
