Comments Details

Comments:	Committee agreed to reiterate the comments previously submitted and to further reinforce their objection.
	Objection – Committee objected on the basis that the proposed application detracts from the overall design statement and setting of the development and referred to CPC Neighbourhood Plan Policy CNP 10 a) the scale, height and form fit unobtrusively with the existing building and the character of the street scene.
	Committee also advised that the Planning Officer should refer to the developer's original plan and emphasised the importance of recognising that, should permission be granted, it could set a precedent for future applications.

Kind regards
