Dear Ash and Josie

Further to my site visit, and my conversation with Josie regarding the neighbour notification for your application, I have sent a late neighbour notification letter to 1 Rumbolds Lane, which had **not received a letter regarding your application**. This should have occurred at the registration stage, but unfortunately this was missed.

The expiry date for neighbour comments on the letter, which was sent on 22.09.2026, is **13.10.2026, a day after the Decision Target Date of 12.10.2026**. Unfortunately I will be unable to make a recommendation for the decision to be issued until after that date has passed. As a consequence, I request your agreement to a short Extension of time for the Decision Target Date to **16.10.2026** to allow for the finalisation of my report and senior office review of the recommendation. I am very sorry for this delay in the determination of your application.

Please can you confirm your agreement to this new date by return email.

I look forward to hearing from you.

Regards

Anna
