Dear Development Management,

Re: Twineham Court Farm, Bob Lane, Twineham, West Sussex RH17 5NH

Application for Approval of Details Reserved by Condition 4 (front patio sample) of listed building consent (DM/23/2385 refers) for the conversion of curtilage listed building to residential annex to be used for purposes ancillary to the listed farmhouse external alterations to the listed farmhouse including post and rail fence, refurbishment and replacement of existing windows, removal of existing porch, replacement guttering, roof repairs, painting external alterations, insertion of glazed screen to bread over, provision of patio area adjacent southern elevation, extension to path to eastern elevation and installation of new boiler flue (part retrospective). Installation of below ground LPG tank, private foul water package treatment plant, and drainage mound. amended drawings to incorporate barn doors on southern elevation of annex received on 20.11.2023)

Planning Portal Reference: PP-15070428

This Supporting Statement accompanies an application for approval of details reserved by condition that seeks the discharge of 1no. condition associated with listed building consent (DM/23/2385 refers).

The site is Twineham Court Farm, Bob Lane, Twineham, West Sussex RH17 5NH.

This application for approval of details reserved by condition is made to Mid Sussex District Council (MSDC) and on behalf of the applicant, Telbridge Properties Ltd. It is accompanied with the following documents:

Document	Author	Reference
Application Form	Wilbury Planning Ltd	PP-15070428
Supporting Statement	Wilbury Planning Ltd	08 July 2026

Planning Context

On 30 November 2023, MSDC granted listed building consent (DM/23/2385 refers) for the following description of development:

- *“Conversion of curtilage listed building to residential annex to be used for purposes ancillary to the listed farmhouse external alterations to the listed farmhouse including post and rail fence, refurbishment and replacement of existing windows, removal of existing porch, replacement guttering, roof repairs, painting external alterations, insertion of glazed screen to bread over, provision of patio area adjacent southern elevation, extension to path to eastern elevation and installation of new boiler flue (part retrospective). Installation of below ground LPG tank, private foul water package treatment plant, and drainage mound. amended drawings to incorporate barn doors on southern elevation of annex received on 20.11.2023.”*

The following 1no. condition attached to the Decision Notice requires formal discharge by MSDC:

- Condition 4 (front patio sample).

Condition 4 (front patio sample)

The wording of Condition 4 is the following:

- **“Condition:** *Prior to the commencement of work on the relevant part of the development details including a sample of the natural stone to the new front patio shall be submitted to and agreed in writing by the Council.*

- **Reason:** *To preserve the special character of the building and to accord with Policy DP34 of the Mid Sussex District Plan.”*

Submitted Details

The wording of Condition 4 requires the submission of the sample of the natural stone to the new front patio.

The front patio which this condition relates is the area directly adjacent the southern elevation of the farmhouse.

Within the previous application (DM/23/2386 refers), planning permission was granted for the brick path to the main entrance of the farmhouse to be extended to the access road, using matching reclaimed bricks.

It is proposed to use the same reclaimed bricks for the patio area adjacent the southern elevation of the farmhouse and in pursuant of Condition 4. The use of the same reclaimed bricks would ensure consistency with the brick path in terms of character and appearance, and email correspondence received from the Conservation Officer, dated 11 June 2026, confirms that the acceptability for using the same reclaimed bricks for the front patio area:

Dear Ryan

Thank you for your email. Whilst I don't foresee any issues with the material as proposed I am afraid you will need to formally apply to discharge the condition. You can find the relevant form and other information on our website, here:

Subject: DM/23/2385 - Twineham Court Farm

Hi Emily

I hope all is well?

I am reaching out to remove the final condition, this is for the patio paving.

Initially I mentioned we may go for a slab, but this isn't really in keeping or character.

We have plenty of reclaimed bricks left over, this would be almost an identical replacement for what is already there and mainly repair work, this would also match the path to the front door.

Thanks

Ryan Pestell Director

Figure 1: Email correspondence received from the Conservation Officer, dated 11 June 2026, confirming the acceptability for the use of the same reclaimed bricks used for the brick path can be used for the front patio area.
