Dear Sir/Madam,

Address: 38 Charlwood Gardens, RH15 0RE

I am in favour of this mast being built near Rocky Lane. The signal in the area is shocking and is non existent. Over the past 6 months, it has definitely gotten worse too.

I have attached a report on the current signal levels via o2, but similar on EE as well, and this was taken by Wivelsfield station. I believe this to be a safety issue, especially if an individual is on their own late at night.

With 43 crimes being reported in the vicinity of World's End and up Valebridge Road, 20 of those being violence and sexual offences in July this year alone, my question is, how many victims were unable to prevent the crime from happening because they couldn't call someone for help? This mast must be approved.

Kind Regards,

[REDACTED]
