Reasons for comment:	
Comments:	We support and welcome an Aldi store but suggest a different place. The roundabout by the station/ area around Waitrose is already very busy especially at peak hours. This would further add to congestion. We suggest locating the store further up the road eg in an old office building or in town in the old WHSmith site and use the

existing car park site for parking? Reducing queuing traffic would better fit with an overall strategy of reducing carbon emissions.

Kind regards
