Hi Catherine,

Thank you for your email.

I intend to write the application up for approval. Please can you confirm the height of the proposed decking?

Kind regards

Hi again Peter,

I hope you have been well since my last email.

Now that we're slightly closer to the determination deadline I just wanted to check in again to ensure we are on track with the application and that you have everything you need to make a recommendation?

I know workloads are significant at the moment and so I also just wanted to check whether you think there are likely to be any delays, and also to again indicate if any changes are required or clarification needed I would be happy to assist.

Also, given we're approaching the determination deadline have you formed a view on your likely recommendation at this stage? If there are any issues we would like to avoid any potential refusal of the application and so an indication of any issues would be greatly appreciated.

Kind regards,

Catherine Warburton
