Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: 100% support this alternate access via Hurst farm, which will stop the access to the approved development West of Turners Hill Road. Our small estate of Wychwood Place, would have been

overwhelming impacted, with life made unbearable for all residents, if access to the the already approved development came through our homes. The noise, congestion, disruption and safety will be unbearable if this application is not approved. Access via Hurst Farm as per this application is the most sensible, logical outcome for everyone.

Kind regards
