Dear Hamish ,

Please see the below confirming there are 2 large water mains in close to the site on in the footpath and one in the field

Regards Chris

Good Morning Christopher,

I can confirm that there is a South East Water mains pipe running up Cuckfield Road in the footpath/verge on the west side of the road, until the minor junction where it joins with a pipe running across the land west to east to Isaac's Lane. There is also a pipe running up the east part of Cuckfield road starting opposite the pond near Hollytree House.

If you would like a map of these clean water mains pipes, please be advised that maps are chargeable at £16.22 (incl. VAT) per map. These can be paid for by confirming a phone number for us to call and process a card payment. Once payment has been received, we will email the map to your chosen email account within 10 minutes.

Kind regards.

Dear Amber,

Thank you for the below confirmation I will remove that condition. Burgess Hill Town Council have recommended refusal of the application in part due to non-compliance with policy DP42 of the Mid Sussex District Plan. DP42 in part states:

‘Development proposals which increase the demand for off-site service infrastructure will be permitted where the applicant can demonstrate;

- that there is adequate water supply to serve the development.’

To address to the Town Council comments please could you confirm that the water supply company has confirmed that they can supply the proposed development?

Thank you,  
Kind regards,

**Subject:** Re: DM/25/0209 Holly Tree House Cuckfield Road Burgess Hill RH15 8RE

Dear Hamish,

There are no public sewers, the drainage consultants have designed a treatment plant and for highdrobreak chamber to be discharged into the ditch. This is all in the documents provided with the application. So this condition would not apply.

We are happy with the precondition of the landscaping.

Regards, amber

Dear Amber,

Thank you for the below email. Just to confirm I am looking to impose the two below pre-commencement conditions. Please could you confirm agreement to these? The rest of the conditions will be pre-occupation, pre-works above slab level or in accordance with.

*'Prior to the commencement of development, details of the rainwater harvesting system including measures to prevent contamination of the water supply and any discharge to public sewers will need to be submitted to and approved by the Local Planning Authority.*

*Reason: To ensure that the proposed rainwater harvesting system is designed, installed and maintained to current British Standards and that measures are in place to protect the public water supply and avoid cross contamination and to accord with policy DP41 of the Mid Sussex District Plan.*

*Prior to the commencement of development, full details of a hard and soft landscaping scheme are submitted to and approved by the Local Planning Authority. These works shall be carried out as approved. The works shall be carried out prior to the occupation of any part of the development or in accordance with the programme agreed by the Local Planning Authority. Any trees or plants which, within a period of five years from the completion of development, die, are removed or become seriously damaged or*

*diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.*

*Reason: In the interests of visual amenity and of the environment of the development and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031.'*

Dear Chris,

Thank you for the below and I have good news I have now received the ecology comments. They have raised no objection subject to the conditions which you can see in the attached. As you have set out below two of the conditions relate to lightings and a biodiversity enhancement plan. Did you want me to send over those plans to the ecologist for their comments during this application or did you want me to determine the application and to secure them as part of a planning condition?

Thank you,  
Kind regards,

Dear Hamish,

Thank you for your email, although it is somewhat disappointing that we still do not have a decision date. Is there any update this week?

I have attached two layouts as we had some conditions on the land regarding landscape and biodiversity layouts etc. As it has taken so long for a decision on the application i wondered if it would speed things up to send these through now?

Regards  
Christopher Jones

Dear Chris,

Thank you for the below. I have been advised by my colleagues in the Customer Services team (I have cc'd them in) that you came in with some queries regarding the determination of the application. As you are aware we are still waiting for comments from the Ecologist on the application and I apologise for the delay. This is not a localised issue and due to recent significant changes to planning legislation the workload for ecologists has increased significantly. As advised previously I am chasing them for a response and as soon as I have one I will send it over to you and look to determine the application. We are starting to receive more responses from them this week so I am hopeful that a response is forthcoming.

If you have any queries regarding the application please let me know.

I hope the above is of use.

Thank you,  
Kind regards,

**Subject:** Re: new location plan - block plan with 204 sq metres to the rear of the gardens

Dear Hamish .

Yes no problem ,

Regards

Christopher Jones

The business card for Christopher Jones Projects features the company logo on the left, which consists of a green house icon above the text 'ARCHITECTURAL JONES • PROJECTS'. To the right of the logo, the name 'Christopher Jones' is printed in green, followed by two phone numbers (01444 635052 and 07736 589002) and the website 'www.Architecturaljones-projects.com/'. Below this information are icons for Facebook, Twitter, and Instagram. On the far right is a portrait photo of Christopher Jones. At the bottom of the card, there are four orange 'Best of Houzz Service' award badges for the years 2024, 2023, 2022, and 2021, followed by two 'Best of Houzz Service' award badges for the years 2020 and 2019. To the right of these awards is a small version of the company logo and a review badge showing a 9.96 rating from 226 reviews. At the bottom right, it states 'Operates in RH15 8PG'.

Our office hours are 8.00 am - 5.00 pm Monday to Friday

**Subject:** RE: new location plan - block plan with 204 sq metres to the rear of the gardens

Hi Chris

Thanks for that. See attached with everything updated to onsite now.

Any other issues from council let me know but hopefully that will be enough.

Kind regards

Jack

**Subject:** new location plan - block plan with 204 sq metres to the rear of the gardens

Dear Jack ,

Please see attached .

Ive condensed plot 1 garden so there's side access to the rear to be able to be maintained from the front

Many thanks for the quick turn around on this .

Regards

Christopher Jones
