Reasons for comment:	
Comments:	This will cause a major issue with parking and cars going up and down the main road in the industrial estate. This was already an issue when the previous business (which was a cafe) was there as it has a very small car park. this use to cause delays going in and out of the estate as it is right near the entrance to Victoria industrial estate. No to mention there is already an issue with cars being parked everywhere due to PureGym going on across the road.

Kind regards
