Hi Anna,

Yes, we did submit an excel version of the BNG Metric, although I see it's not showing properly on the council's website.

I attach another copy for your attention. I hope this is what you require but if you need anything further, do let me know.

Kind regards,

Shelley Jones

**Subject:** DM/25/2607 - Excel version of BNG metric request - Lydhurst Estate

Dear Shelley

I refer to the above application, the decision for which was made on 20.11.2025.

I have been asked by my colleague, Jennifer Hollingum, (she is responsible for the BNG records at MSDC) if an Excel version of the submitted BNG metric was submitted with the Discharge of condition application, as MSDC need to report BNG data to government early next year. I have found the BNG METRIC Calculation saved on the planning file.

Please can you provide me/Jennifer with the **Excel version of the metric**? Our BNG monitoring software should be able to extract the relevant data, if we upload the Excel biodiversity metric/calculation tool.

I hope that this request will not inconvenience you.

Thank you.

Regards

Anna
