Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Details of the pre-application advice received

Dear Zoltan Herczeg,

Thank you for your planning enquiry.

From a history search of the property it appears that permitted development rights for the conversion of the garage have been removed. Outline planning permission was granted for the development under application reference HH/130/98, Condition 11 states:

Detailed plans referred to in condition 2 of this permission shall provide for car parking at an average maximum of 1.5 off street car parking spaces per dwelling. The dwellings hereby approved shall not be occupied until provision for parking has been made within the site in accordance with the agreed details, and such provision shall thereafter be used only for the parking of vehicles.

The proposed conversion of the garage would require the submission of a Householder Application, the form, checklist and guidance notes for this application can be found through the following link:

<https://www.midsussex.gov.uk/planning-building/apply-for-planning-permission/#topic-application-checklists>

The application should include details of the retained off street parking to ensure that there would be sufficient parking provision to meet the West Sussex County Council minimum requirements: Guidance on Parking at New Developments ([westsussex.gov.uk](https://www.westsussex.gov.uk))

The above represents my informal view only based on the information contained in your enquiry. It does not prejudice the council from making whatever decision it considers appropriate on any application subsequently submitted.

The information contained in pre-planning advice may be subject to public disclosure under the Freedom of Information Act 2000. Unless the information contained is legally exempt from disclosure, we cannot guarantee that we will not provide the whole or part of this advice to a third party making a request for information about the subject matter.

Kind regards

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
