

- General Notes**
- Any indication of site boundaries are to be considered diagrammatic. This drawing is based on layouts prepared by others and our details are not in themselves intended to be any definition of land ownership.
 - The contractor shall check all levels and dimensions, any errors or omissions are to be reported to the Engineer.
 - All information regarding below ground obstructions has been added to our general arrangement drawing as far as we are reasonably able to obtain at the time. The contractor shall allow for breaking out obstructions where necessary and increasing the depth of foundations to a suitable and approved formation, in accordance with our details.
