Reasons for comment:	
Comments:	Burgess Hill Town football club is a valuable community hub to the people of Burgess Hill and the wider Mid Sussex area. Laying an artificial pitch will have long-term community benefits, ensuring more matches can be played at the weekend due to fewer postponements occurring as a result of inclement weather and will also enable the pitch to be used by its women's teams and youth teams as well as the senior men's team. Fewer postponements will also ensure there is a reduction in lost revenue on matchdays

through the use of in-ground amenities, as well as to nearby local businesses that benefit from passing footfall on matchday.

Kind regards
