Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The pitch and facilities are still the same from over 40 years ago when I played for burgess hill, the whole complex needs to improve and make a better facility for the people of burgess hill to use. Also the club wants to progress up the pyramid and the income raised from hiring out the ground will help them do so

Kind regards
