Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This facility would boost the reputation and standing of the town, indicating that it's an area that values and encourages participation in sport. The whole area is so often subject to heavy rainfall that renders grass pitches unusable; this facility would make a significant difference to that, and I strongly support the proposal.

Kind regards
