Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I fully support 3G pitch, new perimeter fencing with replacement flood lights along with the acoustic barrier. Water logged / frozen pitch has resulted in numerous games called off which is disappointing to all club supporters and players. The energy reduced flood lights will not only assist the light pollution it will demonstrate that the club are fully committed in supporting to reduce our Carbon footprint on the environment

Kind regards
