Reasons for comment:	
Comments:	I am writing as a supporter of Burgess Hill Town Football Club. The present owners of BHTFC are very forward thinking and have aspirations to get the club to higher divisions. My belief is that the installation of a 3G pitch, replacing the grass, would help the way the team play and also reduce the amount of games postponed due to inclement weather. I also believe it would benefit the local community because the

ground could be used for other events generating extra income for Mid Sussex District Council.

Kind regards
