Hi Adam

I am very sorry for the delay. I have been dealing with a heavy workload since my return from leave and I am afraid I overlooked the advertisement for the amended plans.

I apologise that this has happened, but I do feel it is appropriate for the plans to go through the readvertisement process.

I await your agreement in writing.

Regards

Anna

Hi Anna,

I provided updated drawings nearly a month ago. If the readvertisement went out in a timely manner wed only be a week from a decision. Im glad I chased otherwise we would still be in limbo.

Do you really need to re advertise this scheme. It isn't materially different?

The client is obviously keen to get going.

Im a bit embarrassed to go back to the client with the EOT dates and decision dates as they were expecting a decision within days as we were under the impression it was all underway and in hand. Otherwise we have no option but to agree the EOT.

Kind Regards

Dear Adam

I apologise for my delay in confirming the Press Expiry date for the readvertised plans for this application. This has been due to other workload pressures.

I can confirm that the expiry date for the amended plans readvertisement is 24.07.2025.

I am therefore writing to request your agreement to an Extension of time for this application to 31.07.2025.

I look forward to hearing from you on this.

Regards

Subject: RE: DM/25/1046 - Newtons, 40 New Way Lane, Hurstpierpoint

Hi Adam

Thank you for your recent emails. I have now had a chance to review their content.

Thank you for making changes to the plans. I note the photo showing that the tree formerly growing in the front garden has been felled. As a result no supporting Tree Report is now required.

In order to upload the revised plans to the planning file I do need each of the plans to be sent to me as a separate PDF document. Please can you separate each plan off as a separate PDF file, labelled with the Drawing reference numbers, to assist me in this task?

I will readvertise the amended plans to allow the neighbours and Hurstpierpoint Parish Council to comment. I would like to advertise the amended plans with a revised description, to read as follows:

'Proposed two storey front, rear and side extensions with an extension to the existing garage to create a double garage. Amended Plans received 04.06.2025 which remove the originally proposed Juliette balcony at first floor on the rear elevation, reduce the height and scale of the southern side extension and amend the materials/detailing on the proposed front extension.'

Please can you agree to the amended description. The readvertisement will require your agreement to a short Extension of time. Once I have received confirmation of the new Press Date I can advise you of a new Decision Target Date.

Thank you.
Regards
Anna

Hi Anna,

Thank you for your time today and as discussed please find attached updated drawings for your decision:

Notes:

First floor side extension further reduced and ridge height also reduced

Juliet balcony removed

Protruding brickwork detail to be extended from original to new front extension

I also attach 2 images below which as I have just been informed the tree in question for the tree report was removed a few weeks ago... Does this now negate the need for a tree report?

Kind Regards

Hi Adam

Thank you for your time this morning. Following on from our Teams call I can confirm that we discussed my concerns with the submitted scheme. In summary these are as follows:

-Scale of the proposed side extension – we discussed reducing the scale and lowering of the ridge height to make the addition more subordinate to the original dwelling.

-Impact of the proposal upon the neighbours amenities – proximity/height of the side addition to the boundary and windows in the side elevation of No 42. We reviewed the floor plan layout of No 42 to reveal that these windows serve a hallway and bathroom, and are not principle room windows.

-Overlooking concerns from the proposed first floor Juliette balcony, which I requested is removed.

- Request for the submission of a **Tree Report**, which is missing from the submission.

-We also talked about retaining the corbelled brickwork on the front elevation and the possible introduction of more of this on the front gabled addition.

I hope that you can review the plans with your client and make amendments to address these points.

I request your agreement by return email to an Extension of time to allow for the preparation and submission of the required Tree Report. Please tell me the possible timescale for this, once you know.

I look forward to hearing from you.

Hi Anna,

Mel has forwarded this to me
as I am probably better placed
to discuss. I am at my desk
and available to chat tomorrow
morning. Happy to discuss but
would need to run anything by
the client.

With regard to scale, the
proposal is still smaller than
that of both neighbours and
has been thoughtfully designed
to limit any impact.

Alternatively if you provide your
number I can call.

Kind Regards

Dear Mel
I have
tried to
call you
to
discuss
this
applicatio
n today,
but I am
unable to
get an
answer.

I have a
number
of issues
with the
proposed
scale and
design of
the
proposed
extension
s that I
would
welcome
the
opportuni
ty to
discuss
with you.

I look
forward
to the
opportuni
ty to be
able to
talk with
you,
ideally
via a
Teams
call, so
we can
share the
plans for
discussio
n.
